Shaheed Benazir Bhutto Women University is the first-ever woman university of Khyber Pakhtunkhwa, established in 2005. Being the administrative of the foremost and inaugural Women University of this Province, the university aims to empower and accredit its students and provide them with such opportunities which most female pupils are deprived of while studying in co-education institutions.

Education is the key to success, development and empowerment without which not a single nation can flourish. SBBWUP strongly believes in this and hence strives to provide quality education to the students in a conducive environment, so that they can develop their academic, moral, and professional potential. In the years to come, it will achieve more than was conceived for it.

NEWSLETTER

MESSAGE OF THE VICE - CHANCELLOR

It is my pleasure to share with you, the latest issue of the quarterly University Newsletter. As part of my mission to elevate Shaheed Benazir Bhutto Women University to unprecedented levels of success, we have worked to create a nurturing and supportive environment for our students and faculty. From January to March 2023, we organized multiple training sessions and workshops, providing our staff and students with opportunities for personal and professional growth. Additionally, we signed several MoUs with highly-regarded national and international organizations to explore new avenues for collaboration. Our faculty has been actively engaged in research activities over the past three months, demonstrating our commitment to advancing knowledge and contributing to our country's progress. We are inspired by the Girls Community Club's commitment to supporting the underprivileged community. They have our full support and best wishes for their future endeavors. So delighted to share with you the news of a successful Plantation Drive that took place at SBBWUP on February 2nd, 2023. we were able to plant around 200 saplings within our premises. I am particularly proud to mention that both our students and faculty members were enthusiastic participants in the event.

This issue of the University Newsletter, like its predecessors, showcases the remarkable achievements of our institute and faculty in delivering top-quality education. I am immensely proud of my team and their unwavering dedication to our shared goals.

Empowering Women Entrepreneurs: Unlocking Pakistan's Potential in the Global Start-up Market

A session was recently held at Shaheed Benazir Bhutto Women University Peshawar, aimed at empowering the talented women who represent 51% of Pakistan's population. The session focused on the vast potential of the global start-up market, which is estimated at a whopping \$3 trillion. So far, Pakistan has only tapped into \$1 billion of this market, meaning there is a vast untapped potential for enterprising women in the country.

Moreover, the session highlighted the importance of capitalizing on Pakistan's demographic dividend, where the median age of the 220 million population is just 22. With 70% of the population below the age of 35, and 109 million mobile subscribers, including 40 million smartphone users and 35 million social media subscribers, there is a huge opportunity to scale up the start-up ecosystem of Pakistan.

To help budding entrepreneurs, the government of Pakistan has earmarked Rs 100 billion under the Kamyab Jawan/PM Youth Loan scheme for small businesses, making it the right time to jump into the market. The session also highlighted that the State Bank of Pakistan, in collaboration with banks, has developed women-centric financing products that

can be availed to become part of the 5 million SME club of Pakistan that contributes 25% in exports, 78% in industrial labor, 30% in GDP, and 40% in FBR collection.

The session inspired and motivated the female students to explore the vast opportunities available in the start-up market and contribute to the economic growth of Pakistan.

Department of Management Sciences signs MoU with Extreme Commerce to empower female students with Video Boot Camp

The Department of Management Sciences signed an MoU on 16th of August 2022 with Extreme Commerce [EC]. The vision of EC is to make Pakistan a global e-commerce back office hub and inject billions of dollars per annum offering different products and services to the world thus contributing to the economy of Pakistan.

In order to contribute to the aim of a prosperous Pakistan, Ms. Komal Zubair Khan brought in one of their products, the “Video boot Camp (VBC)” that is an online source of trainings for 100+ income streams by experts. Ms. Komal initiated the correspondence in order to provide these young girls with VBC that will guide them in pursuing their vision at the ease of their campus and home. The department in leadership of Dr. Samra Kiran successfully signed the MoU that will make these trainings by experts for a fee of \$60-\$ 80 per subscription every six months, now be at the palm of each student of SBBWU for free.

As we have highly diversified educational streams offered by the university, it was mutually decided to develop an EC center as a focal point for registrations, counselling, discussions of students with experts, mentoring and a common place where students with similar interests can make teams and start their ventures together; ultimately proving to be a big step towards Women Empowerment.

An office space is now established for the said purpose where students will soon be able to register themselves with Ms. Komal who will brief the students and help them find the right income streams as per their educational backgrounds and skills. A brief seminar is planned this month for the said purpose after which the registrations will be opened for students from all the departments of the university.
