

## **Department of Pakistan Studies**

### **Vision Statement of Department**

The creation of educated, prosperous and peaceful citizens is our primal anticipation. Our prioritized vision is to promote the skill of critical, creative and out of the box thinking in students. We have envisioned critical thinkers who can face the challenges of the modern society.

Our cardinal vision is to bring peace and prosperity in our society through education. We dream to induce such graduates who can work for the benefit of humanity in general and Pakistan in particular. Our subsidiary vision is to produce professionals to uplift our environment and community through leadership. Under the auspices of adept and skilled faculty and staff members, the department is providing quality educating to students.

### **Mission Statement of Department**

Being committed to excellence, the department strives for the provision of quality education. Our goal is to provide the best academic training to students and equip them with knowledge, critical thinking and academic writing. Students are trained, under the supervision of highly-skilled and dedicated educators, to meet the demands of modernity. Besides, the department endeavors to instill the elements of propriety and decency into the minds of neophytes.

### **Mission Statement of Program BS and Maters in Pakistan Studies**

Providing an opportunity to the aspirants of Pakistan Studies to compete and excel in the growing need of research and job market, the curriculum of BS Pakistan Studies is designed with expertise in a manner to equip students with knowledge and knack in the light of modern socio-political research.

The curriculum is specially designed to define and explain Pakistan from social, religious, historical, economic, political, environmental, regional and geographical perspectives. Due focus is paid to elucidate the regional and international significance of Pakistan highlighting her foreign policy. Besides, supernumerary attention is paid to expound the geographical pertinence of Pakistan. Above all, promoting pluralism, the curriculum aims at instructing and sensitizing the populace regarding minorities and their human rights violations. At core, the curriculum aims at promoting patriotism and societal values in the populace.

**Program Objectives:**

1. To engage students in goal-oriented high-level teaching and research.
2. To equip students with skills and latest knowledge on both national and international issues.
3. To provide fecund environment for high quality teaching and learning through imaginative, stimulating and rigorous professional classroom practice.
4. To give value to each individual's right to develop his/her full potential in every respect.

**Outcomes:**

1. Encouraged students to seek academic and moral excellence.
2. Prepared students for creative and constructive thinking and writing.
3. Encouraged the spirit of tolerance and understanding of other cultures, races, faiths and classes.
4. Prepared graduates for dynamic careers in public and private sectors, including diplomatic services.

**Department of History****Vision Statement of Department**

The vision of the Department of History is the establishment of a Department of History as the leading social sciences program at the Master and BS level in Khyber Pakhtunkhwa. In a social sciences program the principal determinants of research output are the strength, qualitative and quantitative, of the faculty, and the level of enthusiasm and competence of the students enrolled.

**Mission of the Department**

The department mission is to be a pioneering, leading and creative women historical school in the province, focusing on students to learning and the way they respond to the challenges of the new order

in the light of their past. We aim to produce knowledgeable Doctors for nation, with the ability to do objective and impartial analysis of past and present sources, as a corrective force.

### **Mission Statement of Program BS and Masters in History**

The mission statement of program is to educate students on drawing future image in the light of past events by rationally analyzing the past and the present.

### **Program objectives**

1. To encourage an impartial and objective reading and writing of history so that our present and future generations may know about the merits and demerits of the deeds of their predecessors and move forward to shape up a better future for themselves.
2. The department aims at imparting education which would enable the graduates in providing the necessary data for better planning of the present and future. Without historical record, no sound planning can be done. Therefore the department envisages educating the students in not only correction of material about the past but also in recording the present social political and economic developments for the sake of future guidance and planning.
3. To produce graduates with a deeper understanding of their own history and the history of other nations so that they may contribute in bridging the gulf between the people of different nations and to help in the process of 'dialogue between civilizations.

### **Program Outcomes**

At the completion of this program, students will be able to:

1. Apply basic knowledge of history to explain observable phenomena.
2. Plan better for future by learning from past.
3. Understand the behavior of other nations in its entirety and know about other civilizations.
